**THE HATCH - BAR/WAITING STAFF, £hourly rate + tips + benefits - JOB DESCRIPTION**

We are looking for full- and part-time bar/waiting staff to support the management team at The Hatch, Redhill, which is currently undergoing refurbishment prior to re-opening (around mid-September).

We are looking for fun characters who have a passion for decent food and drink and enjoy delivering excellent customer service. The ideal applicant will have excellent communication skills and enjoy working as part of a team in a busy food-led environment.

Whether you are just looking to work a few hours a week or would like to kick start your full-time career in hospitality management, we can find a position for the right people. Whatever hours you are looking to work, we are very flexible and will try to work around your commitments; however, we are looking for staff who will be able to work beyond school/university holidays as well. You should enjoy working as part of a team, be very well-presented, and have an energetic sense of humour.

We offer a good rate of pay plus tips, staff discount, a friendly working environment, and training and development opportunities (such as wine qualifications).

If you are interested, please send in a completed application form (by email), your CV, and a covering letter telling us about yourself, and why you think you are suited for the role. Please note: you will need to work weekends and evenings and you should consider how you will get to and from the pub (there is no car park at the pub, although there is plenty of on-street parking close-by).
